Message from the Principal

As we wrap up my first two weeks here at Noya British School, I want to extend my deepest thanks for the warm welcome and continued support. I'm especially grateful for your feedback, which has been invaluable in helping us shape our new school environment and culture.

I also want to recognise your efforts in upholding our uniform policy, ensuring that our children arrive at school looking smart and ready to learn. We believe that a neat appearance helps foster a sense of pride and unity, contributing to an atmosphere where students can focus, feel part of a team and build good habits.

I am also thrilled to introduce a new initiative called Sunshine Day. Launching as part of Anti-Bullying Week, Sunshine Day will focus on kindness and positive actions, helping students embody the values cherished by Sheikh Zayed. We will host these events each half term, where we will highlight a new value and celebrate it with both students and parents.

For this half term, our theme is Kindness! We warmly invite you to join us at 10:15 a.m. on Friday 15th November for a coffee morning with treats, followed by activities in the classrooms, where you and your children can enjoy kindness-related activities together. To make the day even brighter, we're asking everyone (children, staff and parents) to wear as much yellow as possible, with a special prize for the most "sunshine-filled" attire!

Thank you again for your partnership and your commitment to making Noya British School a place where each child can shine.
Have a wonderful weekend.

EYFS Updates

Our FS children have been busy exploring a variety of sensory activities, while developing their fine motor skills. Alongside these hands-on experiences, they've also been practicing and singing their favorite nursery rhymes in preparation for our upcoming Nursery Rhyme Dress-Up Day. We can't wait to see them bring their favorite characters to life.

KS1 Updates

The Year 2 children were delighted to welcome parents to school to talk about their jobs and how they contribute to our community. We had a discussion with a dentist, emergency doctor, air hostess, data and privacy specialist and a mechanical engineer. The children were bursting with questions and learned a lot about each role. We really do have heroes all around us.

KS2 Updates

Another wonderful week has passed by. We look forward to an exciting week ahead! Please find below updates for KS2.

Anti-bullying/kindness week - pupils will participate in a range of activities that will involve learning about bullying and how to recognise it in person and online when using the internet. They will be taught ways to keep safe and how to deal with bullying behaviour. Please see below initiatives for specific days:

Monday - Introduction to Anti-Bullying

Wednesday - Odd socks day

Friday - Sunshine Day (information to follow).

Message from The Head of Primary

Dear Parents of Noya British School,

What an inspirational week we've had here at Noya British School! I want to start by extending a heartfelt thank you to our wonderful Year 2 parent community helpers who took the time to share their knowledge and experiences with our students. The talks you provided were truly inspirational, and the children gained so much from learning directly from you.

I also want to extend my sincere gratitude to all the parents who attended our 'Understanding the National Curriculum and Assessment at NBS' workshop. Your engagement and interest in supporting your child's education is truly inspiring. We were delighted to see such a fantastic turnout, and we look forward to hosting more informative sessions like this in the future.

As we look ahead to next week, I'm thrilled to announce that we will be celebrating Anti-Bullying Week at Noya. I can't wait to share all the exciting events and activities we have planned to promote kindness, inclusion, and a safe environment for our students. This is such an important initiative, and I encourage each of you to talk to your children about it and get them involved. Your continued involvement is what makes our school community so special.

Thank you all, once again, for your unwavering support and dedication to Noya British School. Together, we are shaping the educational journeys of our students and creating an environment where they can thrive. I'm so proud of what we've accomplished this week, and I can't wait to see what the rest of the term has in store.
